## THINK

Condition of the roads

How quick can I reach the destination

Is there any diversions ahead

Is there any specific speed limits there any specific speed limit

What is the reason for diversion Is there a possibility of dust storm

## SAY

It's getting late
How long is this gonna take
Is there any landfall ahead
Is there any mechanic shop nearby

## **DOES**

Drive faster
Take shortcut
Avoid steep bends
Avoid damaged roads
Avoid roads with potholes

## FEEL

Is it the rush hour
Is there any educational institutions or hospitals
It's getting late
Tired and exhausted of traffic
Reduce the fuel cost
